

Adult Confirmation Class 2019-2020

Adult Confirmation is a new opportunity at First Covenant Church for adults of all ages (must be at least 16 years old or older) to participate in a 8-month confirmation journey (Sept-May) by exploring God's word and the building blocks of our faith.

The focus of this confirmation journey is two-fold. First, participants will explore the big-picture narrative of the Old and New Testament through an individual bible study done weekly. Second, participants will meet together approximately once a month where we will learn and discuss 8 core themes that serve as building blocks to our faith. Some of these topics will include conversations about topics like: knowing God exists and who he is, the trustworthiness of the Bible, the creation story, fulfilled prophecies of Jesus, and more!

Participants who complete this confirmation journey will also have the opportunity to be publicly affirm your faith before our congregation. No matter what point you find yourself in for your faith journey, this balance of learning and relationship is critical to the impact of the confirmation process in your lives.

I am committing to participate in this year's adult confirmation class. Because this is an opportunity for intentional training in matters of our faith and building relationships within our church community, I understand that my commitment to participating matters. I know that if I desire to be confirmed at the end of this journey, I cannot miss more than 1 of our 8 sessions this year and will need to complete the required work.
