

FOR GUESTS

We are so glad that you chose to worship with us today and look forward to seeing you again soon. We know that visiting a new church can feel awkward until you get to know people. So, we will do the best we can to help you feel at home. Do stop by our Welcome Table for more information about us; grab a cup of coffee, visit so we can get to know you.

Children of all ages are welcome in our worship services. There are “quiet bags” available to occupy small children. Please ask ushers for assistance. For those who prefer, our nursery is open throughout the morning for children age 6 months to age 3.

National Sanctity of Human Life Day. On the third Sunday in January Churches around the United States celebrate God’s gift of life, commemorate the many lives lost to abortion, and commit themselves to protecting human life at every stage. With over 3,000 abortions performed in the United States each day, we are fortunate to have a local ministry dedicated to protecting the sanctity of life, right here in our community. Since 2006, First Choice Clinic has been a resource for those facing an unplanned pregnancy. Through the various programs and services, they offer at no cost, they are able to empower and encourage people to make life affirming choices. Over the years, First Choice Clinic has helped welcome over 200 babies into the world who might have otherwise been lost to abortion. Please see the insert in today’s bulletin for more information on this local, lifesaving ministry.
