# STICKY FAITH

*Building a Faith that Lasts*

Most parents would give anything for their children to find a vibrant faith that sticks with them as they get older and graduate from high school. However, research sadly indicates that approximately 50% of high school seniors drift from their faith after graduation. Starting Sept 13, we will be starting a new sermon series titled "Sticky Faith" (based on the research from Fuller Youth Institute) in hopes to better understand why teens are leaving the church and what we all can do to help the next generation develop a "sticky faith" of their own!

**We are now in Phase 3.** The church doors will be left unlocked during office hours. The gym is now available. No food or drink are to be shared among attendees, unless individual portions, prepared and made outside the facility. **In-person worship on Sundays are at 9:00 a.m.** For those who are not comfortable coming out yet, we are continuing to live stream the worship. You can view the service live at 9:00 a.m. or watch at later time.

**We believe that God has created us to be in close relationships** with others so that we can grow in our faith, be encouraged during trials we face, and to serve others together. We need these groups now more than ever! Dive into deeper relationships with God and one another through one of our Growth Groups! ### Tuesday Women's Study –

"40 Verses to Ignite Your Faith: Surprising Insights from Unexpected Passages". Many of us have our "go to" verses. The ones we memorize, post on social media, and hang on our walls. But sometimes we need a fresh word or promise for the season we find ourselves in--something that ignites our faith in the face of fear, doubt, loneliness, insecurity, or overwhelming circumstances. In this powerful, new book, author and speaker Laurie Short mines the Scriptures, revealing insights and promises from 40 verses we often overlook. Digging into these "in between" verses, she unearths fresh wisdom, guidance, and encouragement that will help you seek and experience God in new, dynamic ways. From trusting God's timing, to not worrying about the future, to holding on to faith when things look dark, the hidden insights found in these verses will help you navigate the challenges that cross your path, breathe new life into your weary soul, and ignite your faith once again. Starting Tuesday, September 22nd at 9:30 a.m.
