Reopening Red Wing
First Covenant Church

PHASE 3
Soft Reopening
(Starting August 2)

Smaller gatherings for regularly scheduled church events, as well as weddings/funerals may utilize the facility.

It is expected that all gatherings follow the max capacity restrictions and social distancing guidelines.

Masks are required for those who are 6 years old or older in all settings when attending a gathering.

Rooms will be cleaned by trained volunteers so that they could be utilized by another group.

We are now in Phase 3. The church doors will be left unlocked during office hours; and the key has been returned to the lock box. Please call the church office if you need the code to enter after office hours. The gym is now available. No food or drink are to be shared among attendees, unless individual portions, prepared and made outside the facility. **In-person worship on Sundays are at 9:00 a.m.** For those who are not comfortable coming out yet, we are continuing to live stream the worship. You can view the service live at 9:00 a.m. or watch at later time.
